

# Updates Regarding Pay

Payroll will be processed offsite and therefore paper paychecks cannot be picked up on campus when UCPATH launches

All paper checks will be mailed to your home and may take an additional 2-3 days for delivery. Sign up for direct deposit to avoid this delay.

If you enroll in direct deposit after UCPATH launches, it will take 1 or 2 (bi-weekly pay) payroll cycles for your direct deposit to take effect and you would need to enroll through the UCPATH Online.

Beginning in 2020, W-2s will be accessible through UCPATH. W-2s for 2019 and all previous years will be available in AYSO.

Make sure your home address information is current. Paper paychecks and all correspondence is mailed to the home address NOT the mailing address.
