## Step 1: Logging into VPN

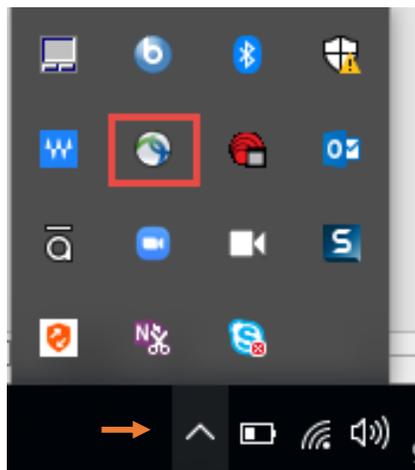

1. For Windows users, click your **Windows Menu** on bottom left of your screen, or click the magnifying glass, then utilize the search bar at bottom to type **“Cisco AnyConnect Mobility Client”**, the software should appear in list.
  - For Mac Users, use the **“Spotlight Search”** to find the **“Cisco Any Connect Mobility Client”** application.

**Important:** If you do not have Cisco AnyConnect VPN. Please contact your manager, or contact the OIT Helpdesk.

**(Compatible with Windows or MAC ONLY)**

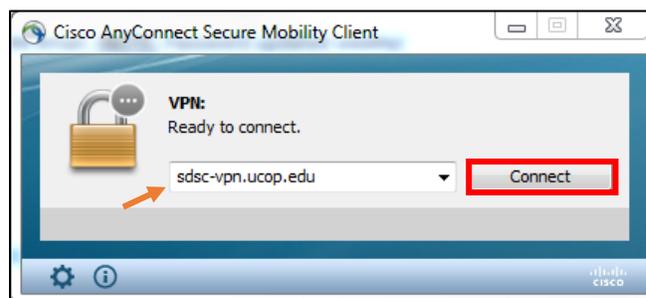

**Note For Windows Users:** You can also look for the **VPN Icon** at the bottom right of your task bar by clicking the inverted arrow next to the battery icon.

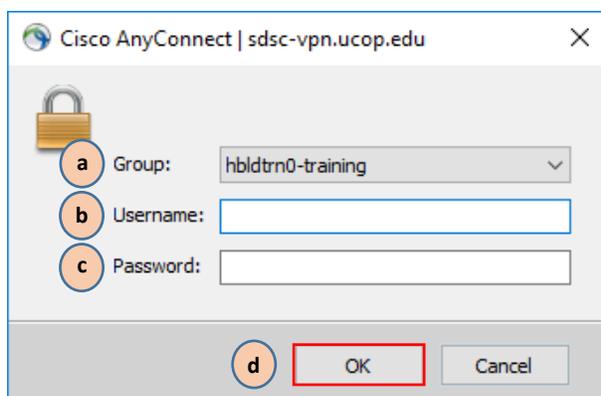

This document can be found on the UCPath website. [<https://ucpath.uci.edu/user-type/transactional-users.html>]

- The VPN Dialog Box appears. Enter: **“sdsc-vpn.ucop.edu”** in the address box.

Click the **“Connect”** button.

- After connecting, the **Username and Password** Dialog box appears, follow the steps below.

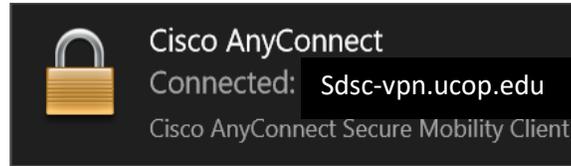

- From the “Group” Drop-down box select: **hbldtrn0-training**
- In the username field, choose and enter one of the following usernames:
  - uci\_ucpathvpn\_01
  - uci\_ucpathvpn\_02
  - uci\_ucpathvpn\_03
- Password is provided in the classroom, or you can contact the training team @ [UCPathTraining@uci.edu](mailto:UCPathTraining@uci.edu)**
- Enter password, then click **OK**.

**Note: If you get a “logon failed” message:**

- Please verify that you have entered **the correct Username and Password**.
- If the Id and password are correct, and you are still unable to access - Please contact the training team @ [UCPathTraining@uci.edu](mailto:UCPathTraining@uci.edu) for assistance.

4. After you click OK, and the connection is made successfully, the following dialog box appears to the bottom right of your screen, to indicate that you are now connected to the VPN.

## Step 2: Connect to the Training Environment:

5. Once you are connected to the VPN – Click on the link below to access the training environment. <https://hbltrn1.ucpath-build.devops.universityofcalifornia.edu> .
6. You will see the following screen below, click the link to access the environment.

### Welcome to Weblogic Application Server 12.2.1.0.0™

[Please click here to PeopleSoft logon page](#)

7. The Training Environment login page appears, enter the Profile User ID and Password provided by the instructor, or refer to the [Training Environment Login IDs](#) & [Training Environment Access Guide](#) for additional information.

\*The password for all accounts: **ucpath 2019 (lower case)**

For immediate assistance please contact the training team @ [UCPathTraining@uci.edu](mailto:UCPathTraining@uci.edu)

A screenshot of the Oracle PeopleSoft login page. The page has a blue background. At the top, it says "ORACLE" in red and "PEOPLESOFT" in white. Below that, there are three input fields: "User ID" (with a cursor), "Password", and "Select a Language" (with a dropdown menu showing "English"). A green "Sign In" button is below the fields. At the bottom, there are two checkboxes: "Enable Screen Reader Mode" and "Set Trace Flags".
